Carer preferences

Winnie prefers female carers for personal care.

Winnie would like carers who speak English clearly.

Winnie would like the same small team of carers.

Winnie does not want visits from carers who wear strong perfume.

Winnie is Church of England and likes to watch the Sunday service on television.

About me: Winnie was a school cook for thirty years and loves crosswords and her cat, Pepper.

Daily routine: Winnie gets up at about 07:30 and likes to be in bed by 21:30.

Choice: Winnie likes to choose her own clothes each morning.

Faith: Winnie likes to watch the Sunday service on television.

Community: Winnie goes to a lunch club on Wednesdays, taken by Albert.

Hearing: Winnie is hard of hearing on the left. Face her and speak clearly.

Memory: Winnie forgets recent conversations. Leave a note of what was done.

Washing: Winnie needs help with a full wash at the sink in the morning.

Showering: Winnie has a shower with help on Wednesdays and Saturdays.

Dressing: Winnie needs help with buttons and stockings.

Continence: Winnie wears pads at night and needs help to change them in the morning.

Toileting: Winnie uses a commode at night; empty and clean it each morning.

Mobility: Winnie walks with a frame indoors and uses a wheelchair outdoors.

Transfers: Winnie transfers with one carer and a perching stool.

Meals: Winnie needs her meals prepared. She likes fish on Fridays.

Drinks: Leave a flask of tea and a jug of squash within reach at every visit.

Diet: Winnie has a soft diet after dental work.

Medication: Carers assist with medication from the pharmacy blister pack.

Creams: Carers apply the prescribed cream to her legs at the morning visit.

Name: Winifred Sample Date of birth: 09/02/1941

Health: Winnie has type 2 diabetes, high blood pressure and arthritis in her hands.

Diabetes: Watch for signs of a low blood sugar: sweating, confusion, shakiness.

Wellbeing: Winnie feels low in the evenings since her husband died.

Sleep: Winnie sleeps poorly and sometimes gets up in the night.

Night: Leave the hall light on and the commode by the bed.

Home: Winnie needs help to keep the kitchen and bathroom clean.

Cat: Make sure Pepper has food and water at the morning visit.

Home safety: Check the cooker is off at every visit.

Emergency: If Winnie does not answer, call Nora, then the office.

Outcomes: To stay in her own flat, keep her cat and go to the lunch club.

Outcome: To feel less lonely in the evenings.

Home support: Winnie needs help to keep the kitchen and bathroom clean.

Next of kin: Nora Sample (Daughter) 0200 000 0303

Risks

Risk - Falls: Winnie fell twice this year when getting up at night. Level: High. Controls: Hall light on, commode by the bed, pendant alarm worn.

Risk - Moving and handling: One carer with a perching stool for transfers. Level: Medium. Controls: Perching stool, frame within reach.

Risk - Skin: Winnie sits for long periods and has dry, fragile skin on her shins.

Risk - Diabetes: Winnie sometimes skips meals and may have a low blood sugar.

Risk - Environment: Loose rugs in the living room are a trip hazard.

Risk - Medication: Winnie has taken evening tablets in the morning before.

Risk - Isolation: Winnie spends most evenings alone and feels low.

Risk - Fire: Winnie sometimes leaves the cooker on.

Resuscitation: Nora says a DNACPR form was signed in hospital. The form has not been seen.

Medication

Support: Assist from the blister pack at the morning and teatime visits.
